Kayak Launch update: It has been brought to our attention that Wilgus State Park has a kayak launch area. We are looking into more details of how to access, fees and other details. More info to come.

Stone Pillars around Perkinsville Green: We need Ray Stapleton to talk more about what can be done. It is unclear how it came about that the Town maintenance the Perkinsville Green but the Perkinsville Community Church owns the property.

Summer Music Event proposal: June & Bill Brink would like to coordinate weekly Friday night music events for singers and song writers at Hoisington Field. They will take care of everything they just need the towns approval. They would like to get food trucks to come to the events or maybe the local Fire departments to do a BBQ for a fundraiser.

Mark seconded the motion.

Any other business: Mark expressed interest in starting up horseshoe competition again with neighboring towns. Years ago it was done and was popular. The other towns have also expressed interest.

Mark motioned to adjourn.

Olivia seconded.

All in favor – Unanimous.
